The list of selected participants will be displayed on the SPPU website and they will also be intimated by e-mail. Only selected participants will have to pay the registration fee.

NATIONAL WORKSHOP ON PUBLICATION ETHICS & SCIENTIFIC WRITING

ABOUT THE WORKSHOP

The AYUSH Center of Excellence (CoE) and Center for Complementary and Integrative Health (CCIH), established at the Savitribai Phule Pune University (SPPU), is organizing a National workshop on Publication Ethics and Scientific Writing from 5th - 7th July 2018.

The workshop aims at research capacity building and creating awareness about publication ethics, predatory journals and research integrity. The workshop will provide the participants an opportunity to interact with eminent international scientists and editors who are known for their contributions in scientific publications. The resource persons include **Dr. Trish Groves** (Editor-in-Chief, BMJ Open, London, UK), **Dr. Peush Sahni** (Editor, NMJI and AIIMS, New Delhi), **Dr S. C. Lakhotia** (Indian National Science Academy and BHU, Varanasi), **Dr. V. S. Chauhan** (International Centre for Genetic Engineering and Biotechnology, New Delhi), **Dr. Amitabh Prakash** (Editor-in-Chief, Clinical Pharmacokinetics, Auckland, New Zealand), **Dr Sanjay Pai** (Editor, Current Science, Bengaluru) and **Dr. Sachin Ranade** (Editor, Nature Communications, New York, USA).

The workshop will be important for postgraduate faculty and researchers from biomedicine, health sciences, and AYUSH systems.

WORKSHOP HIGHLIGHTS

- Orientation to international and national publication scenario
- Hands-on sessions and experience sharing by well-known authors
- Interactive sessions to discuss best practices for publication along with case studies
- Introduction to guidelines for scientific publications
- Guidance on structuring manuscripts and addressing reviewers' comments
- Panel discussions on perspectives by editors, reviewers, and publishers
- Pre-workshop activities and post workshop follow-up
- Topics covered: knowing our readers; publication ethics and research integrity; plagiarism, fabrication and falsification; identification of predatory journals, selection of journals; manuscript preparation and submission; dealing with statistics and data presentation; WAME, COPE, ICMJE and EQUATOR initiatives; scientometrics; indexing services and journal database; clinical registries and many more topics.
